

Glass City Swing Band

Benefiting Others Through Music

February 25, 2019

Dear

Glass City Swing Band, Inc. is venturing into our new year with new energy and enthusiasm for our "Swingin with Creative Arts Therapies" (SCAT) program.

Our partnership with Clelian Heights is very exciting and Sister Charlene helped us launch our first program in October 2018. Our second annual program is scheduled for October 19, 2019. Our first SCAT program was very successful. Here is just one small glimpse of why: to see a non-verbal autistic young man not holding his ears because of the noise, but tapping his foot and clapping to the music. The full 17-piece band played at the end of the program to the delight of the audience. ***This program is free to all participants.***

Our goal is to enroll more children and adults with disabilities into the SCAT program. There is a cost for supplies, mailings, certified art, music and dance therapists, operational costs, and our wonderful musicians, who often play for a minimal amount.

We are now embarking on our first large fundraiser, the Westmoreland County Airshow Hangar Dance Benefit, and hope that you will support this worthy cause. A hangar dance is a step back in time to World War II. During the first few weeks of the outbreak of WWII, theaters and dance halls were shuttered. Military personnel stationed all over the world and local citizens would pack halls and often use the hangars to dance to the music of Glenn Miller and Benny Goodman.

Your generosity as a sponsor will support our mission and make a difference in the life of individuals with disabilities. Any sponsorship you can give us will be greatly appreciated.

Kind Regards,

MISSION: Glass City Swing Band is a nonprofit 501(c)(3) organization that benefits others through music by supporting our mission which is twofold: Disabilities awareness and arts therapies, and preserving history through music, specifically that of the Swing Era.

Glass City Swing Band

Benefiting Others Through Music
